

Quality Policy

**Mypol's Vision is
'Prosper by Quality Processes, Products and Services'**

Our Mission is to conduct all operations with focus on:

1. Customer First.
2. Team work.
3. Continual improvement of People, Processes, Products and Services.
4. Minimise variation and waste.
5. Management of identified risks.
6. Compliance to applicable Statutory and Regulatory requirements.
7. Satisfaction of all stakeholders.
8. Enhance workplace excellence.

Our quality objectives are:

1. Focus on safety in all activities.
2. Enhance customer satisfaction.
3. Reduce operating cost by continual improvement of processes to minimise variation and waste.
4. Self-reliance by enhancing business in domestic and export markets.
5. Increase productivity.
6. Promote innovation.
7. Motivate employee to excel.
